REFER TO FILE: **AS-0**

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**ZERO-TOLERANCE GRAFFITI ABATEMENT SERVICES  
SUPERVISORIAL DISTRICTS 1, 2, AND 5  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Find that the contract work is exempt from the provisions of the California Environmental Quality Act (CEQA).
2. Find that the work can be performed more economically by independent contractors than by County employees.
3. Award seven contracts for "Zero-Tolerance Graffiti Abatement Services" to the specified contractors in each zone at the annual amounts of compensation listed below. These contracts will be for a term of one year commencing on July 1, 2005, with three 1-year renewal options, not to exceed a total contract period of four years.

Contractor	Supervisory District/Zone	Amount
Urban Graffiti Enterprises, Inc.	1C	\$ 93,000
Urban Graffiti Enterprises, Inc.	1G	\$ 36,000
Urban Graffiti Enterprises, Inc.	2A	\$120,000
Harbor Area Gang Alternatives Program	2E	\$ 66,034
Urban Graffiti Enterprises, Inc.	5A	\$ 20,400
Urban Graffiti Enterprises, Inc.	5B	\$ 20,040
Urban Graffiti Enterprises, Inc.	5C	\$ 18,000

4. Delegate authority to the Acting Director of Public Works to execute these contracts and to renew them for each renewal option, if, in the opinion of the Acting Director, renewal is warranted; or to terminate them, if, in the opinion of the Acting Director, it is in the best interest of the County to do so.

#### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

Since 1997, the County has been contracting for graffiti abatement services under the Zero-Tolerance Graffiti Abatement Program. Award of these contracts will continue this program in Supervisorial Districts 1, 2, and 5. This program is designed to remove graffiti quickly and as often as necessary to keep the zones graffiti-free. A prompt cleanup is considered preventive from the standpoint that if the marks do not remain for long periods, vandals' satisfaction from seeing their marks and having others see them is limited. The potential for fame and recognition, a key motivator for graffiti vandals, is directly impacted when the graffiti is quickly removed or buffed out. In severely affected areas, cleanups are essential components of fighting the downward spiral of neighborhood deterioration.

#### **Implementation of Strategic Plan Goals**

The award of these contracts is consistent with the County Strategic Plan Goal of Children and Families' Well-Being. This cleanup program will affect the well being of all living in the affected areas. Prevention and timely removal of graffiti addresses urban blight to enhance the quality and attractiveness of neighborhoods for residents and businesses.

#### **FISCAL IMPACT/FINANCING**

These contracts are for an aggregate amount of \$373,474 annually. Funds for these services are scheduled in the Public Works' 2005-06 Road Fund (supplemented by Community Development Block Grant funding) and Special Road District Fund proposed budgets.

Supervisory District/Zone	Source of Funding	Amount
1C	Special Road District 1	\$ 46,500
	Road Fund (CDBG Funding)	\$ 46,500
1G	Road Fund (CDBG Funding)	\$ 36,000
2A	Special Road District 2	\$ 84,000
	Road Fund (CDBG Funding)	\$ 36,000
2E	Special Road District 2	\$ 39,234
	Road Fund (CDBG Funding)	\$ 26,800
5A	Road Fund (CDBG Funding)	\$ 20,400
5B	Road Fund (CDBG Funding)	\$ 20,040
5C	Road Fund (CDBG Funding)	\$ 18,000

Each individual contract will be for an initial period of one year commencing on July 1, 2005. Thereafter, the Acting Director may renew the contracts from year-to-year for a total contract period not to exceed four years. There will be no cost-of-living adjustments.

Utilizing methodology approved by the Auditor-Controller's guidelines for determining the cost-effectiveness of Proposition A contracts, Public Works has determined that each of the proposals to provide graffiti abatement in the specified zones can be more economically performed by independent contractors than by County employees.

#### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

These graffiti abatement services are being contracted in accordance with procedures authorized under County Charter Section 44.7, Part 3, and Chapter 2.121 (Contracting with Private Businesses) of the Los Angeles County Code. These contracts will be subject to all the requirements of the Living Wage Program (Los Angeles County Code Chapter 2.201).

County Counsel has reviewed the Sample Agreements (Enclosures A.1 through A.7), which are substantially similar in form to the agreements that will be executed by each contractor.

Public Works has determined that the contractors will comply with the requirements of the Living Wage Program and will pay their full-time employees providing County services a living wage.

## **ENVIRONMENTAL DOCUMENTATION**

These services are categorically exempt from the CEQA as specified in Class 1 of the Environmental Document Reporting Procedures and Guidelines adopted by your Board on November 17, 1987, Synopsis 57.

## **CONTRACTING PROCESS**

On April 4, 2005, Public Works solicited proposals from 180 independent contractors and community business enterprises to accomplish this work. Also, a notice of the Request for Proposals (RFP) was placed on the County's bid website (Enclosure B) and an advertisement was placed in the Los Angeles Times.

On April 25, 2005, six vendors submitted proposals for one or more of the graffiti abatement zones. The proposals were first reviewed to ensure that they met the mandatory requirements outlined in the Request for Proposals. Five of the six vendors met these mandatory requirements. Four proposals were received for graffiti abatement Zone 1C; five proposals were received for Zone 1G; four proposals were received for Zone 2A; three proposals were received for Zones 2E and 5A; two proposals were received for Zone 5B; and three proposals were received for Zone 5C. The qualifying proposals were then evaluated by an evaluation committee consisting of Public Works' staff and a representative of the Sheriff's Department. The committee's evaluation was based on criteria outlined in the solicitation document, including proposers' price, references, experience, work plan, staffing plan, and financial resources. Based on this evaluation, it is recommended that these contracts be awarded as recommended above.

Enclosure C reflects the proposers' minority participation. The contractors were selected upon final analysis and consideration without regard to race, creed, gender, or color.

These contracts contain Board-approved contract terms and conditions regarding employee notification of the Federal earned income tax credit, contractor responsibility and debarment, jury service requirements, nonpayment for services received after contract expiration or termination, and the Safely Surrendered Baby Law.

Proof of the required Comprehensive General and Automobile Liability insurance policies, naming the County as additional insured, and evidence of Workers' Compensation insurance will be obtained from the contractors before any work is assigned.

The Honorable Board of Supervisors  
May 26, 2005  
Page 5

As requested by your Board, the contractors have submitted safety records which reflect that activities conducted by the contractors in the past have been according to reasonable standards of safety.

Public Works has accessed available resources to review and assess the proposed contractors' past performance, history of labor law violations, and any negative experience with County contracts. No adverse information was discovered. We have requested and are awaiting a response from the State of California regarding labor law violations.

In accordance with the Chief Administrative Officer's June 15, 2001, instructions, this is Public Works' assurance that these contractors will not be required to perform services that exceed the contracts' approved amount, scope of work, and/or terms.

**IMPACT ON CURRENT SERVICES (OR PROJECTS)**

The award of these contracts will not result in the displacement of any County employees.

**CONCLUSION**

One approved copy of this letter is requested.

Respectfully submitted,

DONALD L. WOLFE  
Acting Director of Public Works

## SCOPE OF WORK

## ZERO-TOLERANCE GRAFFITI ABATEMENT SERVICES

A. Public Works' Contract Manager

Public Works' Contract Manager (a.k.a., Graffiti Program Manager) will be Ms. Valerie Hill of Water Resources Division, who may be contacted at (626) 458-4091, e-mail address: [vjhill@ladpw.org](mailto:vjhill@ladpw.org), Monday through Friday, 8:30 a.m. to 5 p.m. The Contract Manager is the only person authorized by Public Works to request work of the Contractor. From time to time, Public Works may change the Contract Manager. The Contractor will be notified in writing when there is a change in the Contract Manager.

B. Background

During the past six years, Public Works has successfully carried out the Board of Supervisors' policy of establishing "zero-tolerance" graffiti abatement zones in unincorporated and incorporated areas of the County. The Graffiti Abatement Program is designed to remove graffiti quickly and as often as necessary to keep the designated zero-tolerance zones free of graffiti.

A prompt cleanup is considered preventive from the standpoint that if the marks do not remain for long periods, vandals' satisfaction from seeing their marks and having others see them is limited. The potential for notoriety and recognition, a key motivator for graffiti vandals, is directly impacted when the graffiti is quickly removed or buffed out.

In areas where the incidence of graffiti vandalism is low, cleanups may be a sufficient method to deal with the problem and maintain a satisfactory community image. In severely affected areas, cleanups are essential components of fighting the downward spiral of neighborhood deterioration.

C. Work Description - General Statement

The work consists of performing all operations concerning graffiti removal from various surfaces on private residential, commercial, industrial, and public property; and on second-story private residential, commercial, industrial, and public property within the assigned Zero-Tolerance Zone (second-story only applies to Walnut Park contract). The County's goal is to have no graffiti visible within the established zone, either on private property or County rights of way. It is recommended that the Contractor establish a route, but flexibility is necessary due to priority assignments. The Contractor shall fulfill requests but shall also patrol the assigned area, seeking graffiti not yet reported. Priority shall be given to County property and rights of way.

D. Telephone Communications

The Contractor shall be available at all reasonable times to report and confer with Public Works staff with respect to these graffiti removal services. Minimally, the Contractor shall provide a bilingual (Spanish/English) telephone answering service and FAX, within the County, 8 a.m. to 5 p.m., Monday through Friday, except on legal holidays, to receive instructions, information, complaints, etc., from Public Works and the residents.

E. Supervisor Qualifications

The Contractor's on-site supervisor shall have a thorough knowledge of the needs of the assigned Zero-Tolerance Zone, these Specifications, Terms, Conditions and Requirements, and must speak and understand both Spanish and English.

F. Vehicle Signage

Vehicle signage will be optional; however, any signage referencing the Los Angeles County Graffiti Abatement Program shall be in the following form: "Los Angeles County Graffiti Abatement Program" and the Contractor's name or firm's name, together with Public Works' "Hotline Number," in legible letters, not less than two inches in height, on both sides of all trucks/vehicles used in the Zero-Tolerance Zone.

G. Work Priority

The Contractor shall log all graffiti removal requests. Response shall be in the following priority:

1. Requests from Public Works' Graffiti Program Manager;
2. Requests from Public Works' Hotline Operator;
3. Direct calls from Supervisorial District Staff; and
4. Direct constituent requests.

H. Graffiti Removal Services - General

The Contractor shall conduct the graffiti removal services as follows:

1. Remove graffiti from private residential, commercial, and industry structures, alleys, walls, mail boxes, light fixtures, driveways, and County property and rights of way; and second-story private residential, commercial, and industry structures in the zero-tolerance zone shown in Exhibit E, Zero-Tolerance Graffiti Zone Map (second-story only applies to

Walnut Park contract). Provide all personnel, supervision, tools, supplies, materials, equipment, transportation and other incidentals necessary to perform the work.

2. Public Property: Where color matching is specified, all paints used shall match existing colors to the satisfaction of the Graffiti Abatement Program Manager. The Contractor shall receive no additional compensation for repainting to match color.
3. Private Property: Graffiti shall be removed using new and/or recycled water-based paint. Contractor shall make the best possible match to the existing color. If residents/businesses request a specific color, Contractor may provide labor as long as paint has been provided. Graffiti shall be removed using the appropriate methods specified in this Contract from walls, stucco, driveways, wood structures, etc.
4. These standards are basic. However, other standards may be developed and incorporated herein, as other graffiti surfaces are found.
5. Remove graffiti from all types of surfaces such as, but not limited to wood, metal, stucco, brick, concrete, cinder blocks, sidewalks, etc.
6. Maintain a zero-tolerance in the area shown in Exhibit E, Zero-Tolerance Graffiti Zone Map by removing all graffiti within 48 hours, Monday through Friday.
7. Remove vulgar graffiti (i.e., profane, obscene or racist) within 24 hours, seven days per week.
8. Respond to Public Works' Graffiti Program Manager priority assignments within 24 hours, seven days per week.
9. Remove graffiti within 24 hours from County property rights of way, Monday through Friday.
10. Remove graffiti from private property within 48 hours when requested through Public Works' Hotline Operator, supervisorial district staff or other sources, Monday through Friday.
11. Provide Public Works with work record reports no later than the fifth day of each month with the monthly invoice. The monthly reports shall indicate the number and source of crews utilized, hours worked, street addresses of each worksite, square footage painted over or water blasted, gallons of paint used, and the type of surface worked on. When graffiti is removed from County property, the report shall itemize the County property by, but not limited to, light standards, parkway trees, traffic signs, etc.

12. Use appropriate methods of covering or removing graffiti for the particular surface and conditions, such as water blasting, painting over, chemical solvents, etc.
13. Use County-approved chemical solvents when removing graffiti from County property, such as street light poles, traffic signs, control boxes, etc. Any chemical solvents utilized to remove graffiti shall have a Material Safety Data Sheet available for Public Works inspection.
14. Use special paint for particular nontreated surfaces on County property such as light poles, underpasses, pedestrian tunnels, control boxes, etc., when requested to do so by Public Works. Sage green color shall be used for control boxes and other special colors shall be used on County property as directed by the Graffiti Program Manager and shall be repainted until color-matched to the satisfaction of the County.
15. Match the existing surface color when painting over or obscuring graffiti whenever possible. Paint shall be neatly feathered in all areas.
16. Use drop cloths on all work assignments to protect sidewalks, vegetation, etc., from paint spillage.
17. For privately owned property, the Contractor shall obtain and retain the written consent of the owner or the owner's authorized agent before working on the property.
18. Maintain a sufficient number of crews to adequately provide the assigned graffiti removal tasks and maintain the Zero-Tolerance Zone.
19. Train personnel in proper graffiti removal techniques and provide corrective instruction to its personnel if they are removing graffiti improperly.
20. Not allow any debris from its operations under this Contract, especially from the water/sand blasting operations, to be deposited in the storm drains and/or gutters in violation of the National Pollutant Discharge Elimination System (NPDES).
21. Maintain a record/log of all requests and constituent complaints. Records shall be available to Public Works upon request. The complaint log shall include the action taken to resolve the complaint.
22. Assist Public Works with special requests (i.e., removal of graffiti before parades, community cleanups, etc.).
23. Graffiti found on commercial signage shall only be removed with the owner's/occupant's specific, written approval and with the

owner's/occupant's understanding that the Contractor is not responsible, under this Contract, for replacing any original lettering, pictures, etc., on a commercial sign. With the owner's/occupant's approval, the Contractor shall proceed with diligence to remove the graffiti with as little damage to the commercial signage as is possible.

24. Public Works reserves the right to change the reporting system in response to improvements in our computer applications capabilities or for any other reason.

Public Works has established the following guidelines when murals have been vandalized: The Contractor shall not, under any condition, repair, remove, "touch up", or "buff out" any registered murals. Q. Liquidated Damages

1. In any case of the Contractor's failure to meet certain specified performance requirements, the County may, in lieu of other remedies provided by law or the Contract, assess liquidated damages in specified sums and deduct them from any regularly scheduled payment to the Contractor. However, neither the provision of a sum of liquidated damages for nonperformance or untimely or inadequate performance nor the County's acceptance of liquidated damages shall be construed to waive the County's right to reimbursement for damage to its property or indemnification against third-party claims.
2. The amounts of liquidated damages have been set in recognition of the following circumstances existing at the time of the formation of the Contract:
  - All the time limits and acts required to be done by both parties are of the essence of the Contract;
  - The parties are both experienced in performance of the Contract work;
  - The Contract contains a reasonable statement of the work to be performed in order that the expectations of the parties to the Contract are realized. The expectation of the County is that the work will be performed with due care in a workmanlike, competent, timely, and cost-efficient manner, while the expectation of the Contractor is a realization of a profit through the ability to perform the Contract work in accordance with the terms and conditions of the Contract at the Proposal price;

- The parties are not under any compulsion to contract;
  - The Contractor's acceptance of the assessment of liquidated damages against it for unsatisfactory and late performance is by agreement and willingness to be bound as part of the consideration being offered to the County for the award of the Contract;
  - It would be difficult for the County to prove the loss resulting from nonperformance or untimely, negligent, or inadequate performance of the work; and
  - The liquidated sums specified represent a fair approximation of the damages incurred by the County resulting from the Contractor's failure to meet the performance standard as to each item for which an amount of liquidated damages is specified.
3. The Contractor shall pay Public Works, or Public Works may withhold from monies due the Contractor, liquidated damages in the sum of \$100 for each consecutive calendar day that the Contractor fails to complete work within the time specified unless otherwise provided in this Contract.

### SECTION 3

#### STANDARD TERMS AND CONDITIONS PERTAINING TO CONTRACT ADMINISTRATION

A. Limitation of the County's Obligation Due to Non-appropriation of Funds

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Contract.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Contract extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or work shall be terminated as of June 30 of the then current fiscal year. The County shall notify the Contractor in writing of such nonallocation at the earliest possible date.

B. Gratuitous Work

The Contractor agrees that should work be performed outside the scope of work indicated and without Public Works' prior written approval in accordance with Section 3.U, Changes and Amendments of Terms, such work shall be deemed to be a gratuitous effort by the Contractor, and the Contractor shall have no claim, therefore, against the County.

C. No Payment for Services Following Expiration or Termination of Contract

The Contractor shall have no claim against the County for payment of any money or reimbursement of any kind whatsoever for any service provided by the Contractor after the expiration or other termination of this Contract. Should the Contractor receive any such payment it shall immediately notify the County and shall immediately repay all such funds to the County. Payment by the County for services rendered after expiration or other termination of this Contract shall not constitute a waiver of the County's right to recover such payment from the Contractor. This provision shall survive the expiration or other termination of this Contract.

D. Nondiscrimination in Employment

1. The Contractor shall ensure that qualified applicants are employed, and that employees are treated during employment without regard to their race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or

gender. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection of training, including apprenticeship.

2. The Contractor shall deal with its subcontractors, bidders, or vendors without regard to, or because of, race, color, religion, ancestry, national origin, age, condition of physical or mental disability, marital status, political affiliation, sexual orientation, or gender.
3. The Contractor shall allow the County representative access to its employment records during regular business hours to verify compliance with the provisions of this section when so requested by the County.
4. If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of contract upon which the County may determine to cancel, terminate, or suspend this Contract. While the County reserves the right to determine independently that the antidiscrimination provisions of this Contract have been violated, in addition, a determination by the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that the Contractor has violated State or Federal antidiscrimination laws or regulations shall constitute a finding by the County that the Contractor has violated the antidiscrimination provisions of this Contract.
5. The parties agree that in the event the Contractor violates the antidiscrimination provisions of this Contract, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Contract.

E. Assignment

1. The Contractor may not delegate its duties or assign its rights under this Contract, either in whole or in part, without the prior written consent of the Director. Any prohibited delegation of duties or assignment of rights under this Contract shall be null and void and shall constitute a breach for which the Contract may be terminated. Any payments to any assignee of any claim under this Contract in consequence of such consent shall be subject to set-off, recoupment, or other reduction for any claim which the County may have.
2. Any delegation of duties or assignment of rights, including but not limited to a merger, acquisition, asset sale and the like, shall be in the form of a subcontract or formal assignment, as applicable. The Contractor's request to the Director for approval of an assignment shall include all applicable

information that must be submitted with a request by the Contractor to the County for approval of a subcontract of the Contract work.

F. Subcontracting

1. No performance of this Contract or any portion thereof may be subcontracted by the Contractor without the express written consent of the County. Any attempt by the Contractor to subcontract any performance of the terms of this Contract without the express written consent of the County shall be null and void and shall constitute a breach of the terms of this Contract. In the event of such a breach, this Contract may be terminated forthwith.
2. In the event the County should consent to subcontracting, each and all of the provisions of this Contract and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties.
3. In the event the County should consent to subcontracting, the Contractor shall include in all subcontracts the following provision: "This Agreement is a subcontract under the terms of a prime contract with the County of Los Angeles. All representations and warranties shall inure to the benefit of the County of Los Angeles."
4. Any third-party delegate(s) appointed by the Contractor shall be specified in writing to the Director for advance concurrence.
5. No subcontractor shall be recognized or dealt with by the Board or any of the persons chargeable with the enforcement of this Contract. The Contractor shall, at all times, be personally responsible for the performance of this Contract.

G. Contractor's Warranty of Adherence to County's Child Support Compliance Program

The Contractor acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contract are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

As required by the County's Child Support Compliance Program (Los Angeles County Code Chapter 2.200), and without limiting the Contractor's duty under this contract to comply with all applicable provisions of law, the Contractor warrants that it is now in compliance and shall during the term of this contract maintain compliance with the employment and wage reporting requirements of the Federal Social Security Act (42 USC Section 653) and California Unemployment

Insurance Code Section 1088.5, and shall implement lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

H. Assurance of Compliance with Civil Rights Laws

The Contractor hereby assures that it will comply with Subchapter VI of the Civil Rights Act of 1964, 42 USC Sections 2000e through 2000e(17), to the end that no person shall, on the grounds of race, creed, color, gender, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under this Contract or under any project, program, or activity supported by this Contract.

I. Compliance with Laws

1. The Contractor agrees to comply with all applicable Federal, State, and local laws, rules, regulations, or ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference.
2. The Contractor agrees to indemnify and hold the County harmless from any loss, damage, or liability resulting from a violation on the part of the Contractor of such laws, rules, regulations, or ordinances.

J. Covenant Against Contingent Fees

1. The Contractor warrants that no person or selling agency has been employed or retained to solicit or secure this Contract upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee, excepting bona fide employees or bona fide established commercial or selling agencies maintained by the Contractor for the purpose of securing business.
2. For breach or violation of this warranty, the County shall have the right to terminate this Contract and, at its sole discretion, deduct from this Contract price or consideration, or otherwise recover, the full amount of such commission, percentage, brokerage, or contingent fee.

K. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of California.

L. Termination for Improper Consideration

1. County may, by written notice to the Contractor, immediately terminate the right of the Contractor to proceed under this Contract if it is found that

consideration, in any form, was offered or given by the Contractor, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Contract or securing favorable treatment with respect to the award, amendment or extension of this Contract or the making of any determinations with respect to the Contractor's performance pursuant to this Contract. In the event of such termination, County shall be entitled to pursue that same remedies against the Contractor as it could pursue in the event of default by the Contractor.

2. The Contractor shall immediately report any attempt by a County officer or employee to solicit such improper consideration. Among other items, such improper consideration may take the form of cash, discounts, services, the provision of travel or entertainment or tangible gifts. The report shall be made either to the County manager charged with the supervision of the employee or to the County Auditor-Controller's Employee Fraud Hotline at (800) 554-6861. Such fraud may also be reported via e-mail to [fraud@auditor.co.la.ca.us](mailto:fraud@auditor.co.la.ca.us) and by mail to Los Angeles County Fraud Hotline, 1000 South Fremont Avenue, Unit 51, Alhambra, CA 91803-4737.

M. Notice of Delay

Except as otherwise provided herein, when either party has knowledge that any actual or potential situation is delaying or threatens to delay the timely performance of this Contract, that party shall, within five days, give notice thereof, including all relevant information with respect thereto, to the other party.

N. Record Retention and Inspection

The Contractor agrees that the County or any duly authorized representative shall have access to and the right to examine, audit, excerpt, copy, or transcribe any pertinent transaction, activity, time cards, or other records relating to this Contract. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by the Contractor, at a location in Los Angeles County, for a period of five years after completion of this Contract unless the County's written permission is given to dispose of material prior to the end of such period.

O. Validity

The invalidity in whole or in part of any provision of this Contract shall not void or affect the validity of any other provision.

P. Waiver

No waiver of a breach of any provision of this Contract by either party shall constitute a waiver of any other breach of said provision or any other provision of this Contract. Failure of either party to enforce at anytime or from time to time,

any provision of this Contract shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

Q. Disclosure of Information

1. The Contractor shall not disclose any details in connection with this Contract to any party, except as may be otherwise provided herein or required by law. However, in recognizing the Contractor's need to identify its services and related clients to sustain itself, the County shall not inhibit the Contractor from publicizing its role under this Contract within the following conditions:
  - a. The Contractor shall develop all publicity material in a professional manner.
  - b. During the course of performance of this Contract, the Contractor, its employees, agents, and subcontractors shall not publish or disseminate commercial advertisements, press releases, opinions or feature articles using the name of the County without the prior written consent of the Chief Administrative Officer and County Counsel.   - c. The Contractor may, without prior written permission of the County, indicate in its proposals and sales materials that it has been awarded a Contract to provide these services, provided that the requirements of this Article shall apply.

R. Default and Termination

1. Default

- a. The County may, subject to the provisions of Subsection c (pertaining to defaults of subcontractors) below, by written notice of default to the Contractor, terminate the whole or any part of this Contract in any one of the following circumstances:
  - i. If the Contractor fails to perform the work within the time specified herein or any extension thereof; or
  - ii. If the Contractor fails to perform any of the other provisions of this Contract, or so fails to make progress as to endanger performance of this Contract in accordance with its terms, and in either of these two circumstances does not cure such

failure within a period of 10 calendar days (or such longer period as the County may authorize in writing) after receipt of notice from the County specifying such failure.

- b. In the event the County terminates this Contract in whole or in part as provided in Subsection a above, the County may procure, upon such terms and in such manner as the County may deem appropriate, services similar to those so terminated, and the Contractor shall be liable to the County for any excess costs for such similar services, provided that the Contractor shall continue the performance of this Contract to the extent not terminated under the provisions of this clause.
- c. Except with respect to defaults of subcontractors, the Contractor shall not be liable for any excess costs if the failure to perform this Contract arises out of causes beyond the control and without the fault or negligence of the Contractor. Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of the Contractor. If the failure to perform is caused by the default of a subcontractor, and if such default arises out of causes beyond the control of both the Contractor and subcontractor, and without the negligence of either of them, the Contractor shall not be liable for any excess costs for failure to perform, unless the supplies or services to be furnished by the subcontractor were obtainable from other sources in sufficient time to permit the Contractor to meet the required delivery schedule.
- d. If, after Notice of Termination of this Contract under the provisions of this clause, it is determined for any reason that the Contractor was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to Section 3, Paragraph R.4, Termination for Convenience.
- e. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- f. As used herein, the terms "subcontractor" and "subcontractors" mean persons, companies, corporations, or other organizations

furnishings supplies, services of any nature, equipment, or materials to Contractor, at any tier, under oral or written agreement.

2. Default for Insolvency

The County may cancel this Contract forthwith for default in the event of the occurrence of any of the following:

- a. Insolvency of the Contractor. 4. Termination for Convenience

It is not the intent of the County to terminate this Contract before the completion of all items except for sound business reasons of which the County shall be the sole judge, however, and notwithstanding:

- a. The County reserves the right to renegotiate the terms of this Contract to reduce the Contractor's compensation in the event such reduction is necessary, in the sole discretion of the County, to achieve County budget reductions. Nothing in this paragraph is intended to diminish the County's right to terminate this Contract as provided herein.
- b. The County may at any time terminate this Contract, or any portion thereof, without liability (except as hereinafter provided) by

delivering to the Contractor written notice specifying the desired termination date at least 30 days in advance thereof.

- c. If this Contract is terminated, the Contractor shall, within 30 days of the Notice of Termination, complete those items of work which are in various stages of completion which the Director determines are necessary to bring the work to a timely, logical, and orderly end. Reports, samples, and other materials prepared by the Contractor under this Contract shall be delivered to the County upon request and shall become the property of the County.

5. Termination for Breach of Warranty to Maintain Compliance with County's Child Support Requirements

Failure of the Contractor to maintain compliance with the requirements set forth in Section 3, Paragraph G of this Exhibit B shall constitute default under this Contract. Without limiting the rights and remedies available to the County under any other provision of the Contract, failure of the Contractor to cure such default within 90 calendar days of written notice shall be grounds upon which the County may terminate the Contract pursuant to Paragraph D1 "Default," of this Section 3, and debar the Contractor pursuant to County Code Chapter 2.202.

6. Termination Claim

- a. If this Contract is terminated, the Contractor shall, within 60 days after the Notice of Termination, submit to the County its termination claim.
- b. Subject to the provisions of the paragraph immediately below, the County and the Contractor shall negotiate an equitable amount to be paid the Contractor by reason of the total or partial termination of work pursuant to this clause, which amount may include a reasonable allowance for profit on services rendered, but shall not include an allowance on services terminated. The County will pay the agreed amount provided that such amount shall not exceed the total funding obligated under this Contract, and reduced by the amount of payments otherwise made, and as further reduced by this Contract price of work not terminated.
- c. Failure of the Contractor to submit its termination claim and invoice within the time allowed, the County may determine, based on information available to the County, the amount, if any, due to the Contractor in respect to the termination, and such determination shall be final. After such determination is made, the County will pay the Contractor the amount so determined.

S. Notification

1. Notices desired or required to be given under these Specifications, Conditions, or Terms herein or any law now or hereafter in effect may, at the option of the party giving the same, be given by enclosing the same in a sealed envelope addressed to the party for whom intended and by depositing such envelope with postage prepaid in the United States Post Office or any substation thereof, or any public box, and any such notice and the envelope containing the same shall be addressed to the Contractor at its place of business, or such other place as may be hereinafter designated in writing by the Contractor. In the event of suspension or termination of this Contract, notices may also be given upon personal delivery to any person whose actual knowledge of such suspension or termination would be sufficient notice to the Contractor. Actual knowledge of such suspension or termination by an individual Contractor or by a copartner, if the Contractor is a partnership; or by the president, vice president, secretary or general manager, if the Contractor is a corporation; or by the managing agent regularly in charge of the work on behalf of said Contractor shall in any case be sufficient notice.

T. County Lobbyists

The Contractor certifies that it and each County lobbyist or County lobbying firm, as defined in Los Angeles County Code Section 2.160.010, retained by the Contractor are familiar with the requirements of the County Lobbyist Ordinance, Los Angeles County Code Chapter 2.160. Failure on the part of the Contractor to fully comply with the County Lobbyist Ordinance shall constitute a material breach upon which the County may immediately terminate or suspend this Contract.

U. Changes and Amendments of Terms

The County reserves the right to change any portion of the work required under this Contract, or amend such terms and conditions which may become necessary. Any such revisions shall be accomplished in the following manner:

this Contract, a Change Notice shall be prepared and signed by the Director and Contractor.

2. For any revision which materially affects the scope of work, period of performance, payments, or any material term or condition included in this Contract, a negotiated modification to this Contract shall be executed by the Board and the Contractor.

V. Confidentiality

The Contractor shall maintain the confidentiality of all its records relating to this Contract, according to all applicable Federal, State, and County laws, regulations, ordinances, and directives relating to confidentiality. The Contractor shall inform all of its officers, employees, and agents providing services hereunder of the confidentiality provisions of this Contract.

W. Quantities of Work

The Contractor shall be allowed no claims for anticipated profits or for any damages of any sort because of any difference between the estimated and actual quantities of work done or for work decreased or eliminated by the County.

X. County's Quality Assurance Plan

The County or its agent will evaluate the Contractor's performance under this Contract on not less than an annual basis. Such evaluation will include assessing the Contractor's compliance with all Contract terms and performance standards. Contractor deficiencies which County determines are severe or continuing and that may place performance of this Contract in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by the County and the Contractor. If improvement does not occur consistent with the corrective action measures, County may terminate this Contract or impose other penalties as specified in this Contract.

#### B. Payment of Living Wage Rates

1. Unless Contractor has demonstrated to the County's satisfaction either that Contractor is not an "Employer" as defined under the Program (Section 2.201.020 of the County Code) or that Contractor qualifies for an exception to the Program (Section 2.201.090 of the County Code), Contractor shall pay its Employees no less than the applicable hourly living wage rate, as set forth immediately below, for the Employees' services provided to the County under this Contract:

All certified monitoring reports shall be submitted on forms provided by the County, or any other form approved by the County which contains the above information. The County reserves the right to request any additional information it may deem necessary. If the County requests additional information, Contractor shall promptly provide such information. Contractor, through one of its officers, shall certify under penalty of perjury that the information contained in each certified monitoring report is true and accurate.

D. Contractor's Ongoing Obligation to Report Labor Law/Payroll Violations and Claims

During the term of this Contract, if the Contractor becomes aware of any labor law/payroll violations or any complaint, investigation, or proceeding ("claim") concerning any alleged labor law/payroll violation (including but not limited to any violation or claim pertaining to wages, hours, and working conditions such as minimum wage, prevailing wage, living wage, the Fair Labor Standards Act, employment of minors, or unlawful employment discrimination), the Contractor shall immediately inform the County of any pertinent facts known by the Contractor regarding the same. Remedies For Submission of Late or Incomplete Certified Monitoring Reports: If Contractor submits a certified monitoring report to the County after the date it is due or if the report submitted does not contain all of the required information, or is inaccurate, or is not properly certified, any such deficiency shall constitute a breach of this Contract. In the event of any such

breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:

- a. **Withholding of Payment:** If Contractor fails to submit accurate, complete, timely, and properly certified monitoring reports, the County may withhold from payment to Contractor up to the full amount of any invoice that would otherwise be due, until Contractor has satisfied the concerns of the County, which may include required submittal of revised certified monitoring reports or additional supporting documentation.
  - b. **Liquidated Damages:** It is mutually understood and agreed that Contractor's failure to submit an accurate, complete, timely, and properly certified monitoring report will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, in the event that a certified monitoring report is deficient, including but not limited to being late, inaccurate, incomplete, or uncertified, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages in the amount of \$100 per monitoring report for each day until the County has been provided with a properly prepared, complete, and certified monitoring report. In the event of any such breach, the County may, in its sole discretion, exercise any or all of the following rights/remedies:
- a. **Withholding Payment:** If Contractor fails to pay one or more of its Employees at least the applicable hourly living wage rate, the County may withhold from any payment otherwise due to Contractor the aggregate difference between the living wage amounts Contractor was required to pay its Employees for a given pay period and the amount actually paid to the Employees for that pay period. The County may withhold said amount until Contractor has satisfied the

County that any underpayment has been cured, which may include required submittal of revised certified monitoring reports or additional supporting documentation.

- b. Liquidated Damages: It is mutually understood and agreed that Contractor's failure to pay any of its Employees at least the applicable hourly living wage rate will result in damages being sustained by the County. It is also understood and agreed that the nature and amount of the damages will be extremely difficult and impractical to fix; that the liquidated damages set forth herein are the nearest and most exact measure of damages for such breach that can be fixed at this time; and that the liquidated damages are not intended as a penalty or forfeiture for Contractor's breach. Therefore, it is agreed that the County may, in its sole discretion, assess against Contractor liquidated damages of \$50 per Employee per day for each and every instance of an underpayment to an Employee. The County may deduct any assessed liquidated damages from any payments otherwise due to Contractor.
- c. Termination: Contractor's failure to pay any of its Employees the applicable hourly living wage rate may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.

- 4. Debarment: In the event Contractor breaches a requirement of this Section, the County may, in its sole discretion, bar Contractor from the award of future County contracts for a period of time consistent with the seriousness of the breach, not to exceed three years.

#### H. Use of Full-Time Employees

Contractor shall assign and use full-time employees of Contractor to provide services under this Contract unless Contractor can demonstrate to the satisfaction of the County that it is necessary to use non-full-time employees based on staffing efficiency or County requirements for the work to be performed under this Contract. It is understood and agreed that Contractor shall not, under any circumstance, use non-full-time employees for services provided under this Contract unless and until the County has provided written authorization for the use of same. Contractor submitted with its proposal a full-time-employee staffing plan. If Contractor changes its full-time-employee staffing plan, Contractor shall immediately provide a copy of the new staffing plan to the County.

#### I. Contractor Retaliation Prohibited

Contractor and/or its employees shall not take any adverse action which would result in the loss of any benefit of employment, any contract benefit, or any statutory benefit for any employee, person, or entity who has reported a violation of the

Program to the County or to any other public or private agency, entity, or person. A violation of the provisions of this paragraph may constitute a material breach of this Contract. In the event of such material breach, County may, in its sole discretion, terminate this Contract.

J. Contractor Standards

During the term of the Contract, Contractor shall maintain business stability, integrity in employee relations, and the financial ability to pay a living wage to its employees. If requested to do so by the County, Contractor shall demonstrate to the satisfaction of the County that Contractor is complying with this requirement.

K. Neutrality in Labor Relations

Internal Revenue Service  
**Notice 1015**

(Rev. December 2003)

**Have You Told Your Employees About the  
Earned Income Credit (EIC)?**

---

**What Is the EIC?**

The EIC is a refundable tax credit for certain workers.

**A change to note.** Workers **cannot** claim the EIC if their 2003 investment income (such as interest and dividends) is over \$2,600.

**Which Employees Must I Notify About the EIC?**

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

**Note:** *You are encouraged to notify each employee whose wages for 2003 are less than \$34,692 that he or she may be eligible for the EIC.*

**How and When Must I Notify My Employees?**

You must give the employee one of the following:

- The IRS **Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 9, 2004.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at [www.irs.gov](http://www.irs.gov).

**How Will My Employees Know If They Can  
Claim the EIC?**

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2003 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit (EIC).

**How Do My Employees Claim the EIC?**

Eligible employees claim the EIC on their 2003 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2003 and owes no tax but is eligible for a credit of \$791, he or she must file a 2003 tax return to get the \$791 refund.

**How Do My Employees Get Advance EIC  
Payments?**

Eligible employees who expect to have a qualifying child for 2004 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Circular E (Pub. 15)**, Employer's Tax Guide.

### What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

### How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

### What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

### Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

### Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

### Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

### What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

### What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

### Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

### A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

**Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.**

***It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.***

**¿Qué es la Ley de Entrega de Bebés Sin Peligro?**

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

**¿Cómo funciona?**

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

**¿Qué pasa si el padre/madre desea recuperar a su bebé?**

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

**¿Sólo los padres podrán llevar al recién nacido?**

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

**¿Los padres deben llamar antes de llevar al bebé?**

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

**¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?**

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

**¿Qué ocurrirá con el bebé?**

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

**¿Qué pasará con el padre/madre?**

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

**¿Por qué California hace esto?**

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

**Historia de un bebé**

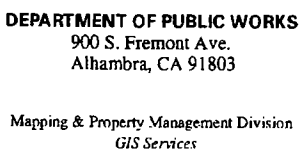

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una  
oportunidad de tener una vida saludable.  
Si alguien que usted conoce está pensando  
en abandonar a un recién nacido, infórmele  
qué otras opciones tiene.**

*Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.*
